TIMARON Mulhe Movies

Movies tell stories, stories of action, adventure, comedy, and love. The many struggles and triumphs depicted in films have become timeless, reflecting the great cultural impact that movies have had and will continue to have in the future. They hold the ability to capture moments in time and reserve them for the future. Similarly, the 2011 TIMARON tells the stories of Middleboro High School and its students, stories that will be always be remembered.

"Life's like a movie. Write your own ending."

- The Muppet Movie

Dedication

The 2011 TIMARON Yearbook is dedicated to Travis Albert, who passed away in 2006 from a rare neurodegenerative sickness known as Batten Disease. With the continued support and love of his family and friends, a memorial scholarship is being presented to the Class of 2011, which would have been his graduating class. Travis taught us all to hope, believe, and remember that living a "life of quality" is one of the most important lessons to learn. "Travis goes where we go, always."

A Note from the Principal

Dear Members of the Class of 2011.

It is indeed with great pride that the faculty, staff and administration congratulate you as "graduates" of Middleboro High School. You have truly distinguished yourselves by your achievements in academic excellence, participation in co-curricular and sports activities, and involvement in community "give-back" events. You have been true leaders and wonderful role models to the underclassmen.

I thank you for all that you have given to Middleboro High School these past four years and for your contributions yet to come. I could not have asked for a more wonderful senior class – thank you for welcoming me into the community of MHS.

To quote Robert Frost, "Two roads diverged in a wood, and I-I took the one less traveled by, and that has made all the difference." Create your own path and continue to make a difference in the world. I wish the very best as you embark on the next chapter in your lives.

Best wishes for a wonderful future. Never abandon hope!

Mrs. Diana Myers-Pachla

A Note from the Superintendent

Matt Rousseau, Coaches Award 2010, was a great inspiration on the field, spirited, speedy, and always upbeat, and then there is Zac MacAulay, an incredible player and the lifeblood of the team. He played almost 80 minutes every game and was voted unanimously to the Patriot League All-Star team. Zac got a lot of playing time in the All-Star Game and energized the game play. Top scorer was Lauren Simao; with her deadly shot, Lauren scored 14 goals for the Sachems over the season. Emma Kenney served as goalie for most of the season and made some amazing saves. The team ended with a 3-14-1 record. Coach Bradbury is very proud of the dedication and commitment these ladies have shown to their team and can't wait to see what they do next year!

Sports

The Middleboro Varsity Ice Hockey team had its best year ever, playing an independent schedule against a collection of Division I, II, III teams. Coached by second year head coach Scott Drevitch and led by the five seniors, forwards Zac MacAulay, Josh Moquin, Tony Coletti, Dan Cashman and defenseman Cody Langway, the team had a record of 13-7-1, which was the most successful in school history. There were some highlights of the season including a seven game win streak, big wins against Stoughton, Rockland, Mashpee, and two against Wareham. However, the highlight of the season was that the team qualified for the State Tournament for only the second time in school history. In the Massachusetts State Tournament Division III South Sectional, the Middleboro team entered as the #9 seed out of 27. Only six teams had a better record than the Sa-

chems. In the first round, the Sachems played a big strong senior laden Holliston team. Middleboro, at home in front of an estimated 200 people, played hard but got knocked out of the tournament with a 3-2 loss. All the players played hard throughout the season, as a team and with discipline and heart. Along with the seniors, junior goaltender Pat Nicholson and Mike Viera played a key role in the successful season.

HOCKE

The 2010-2011 Boys Basketball program rebounded well after a lackluster 2009-2010 campaign. Though the varsity team finished with 7 wins and 13 losses, the program took a step in the right direction. Senior captain Brian Wiksten and his four-year teammate AJ Nunes were joined on this year's squad by fellow seniors Sean Newcomb, Mike Matthews, Wesley Allioth, Peter Smith, and Travis Levesque. Junior captain Luke Szulak and fellow underclassmen, Dan Jackson, Andrew Card, Casey Mandeville, Alex Allioth and Mike Scanlon rounded out the 13-man varsity squad. The season was riddled with many close games, including a memorable 57-52 comeback victory over Silver Lake on Senior Night.

Basketball

The Varsity Girls Basketball team made great strides this season. The Sachems were very competitive in the second half of the season, led by seniors Megan Andrade (Tri-Captain), Emily Condry (Tri-Captain), Emma Kenney (Tri-Captain), and Daniesha Tobey-Richards. Emma Kenney had a tremendous campaign, ending with a school record of over 700 points, including 350 points in her senior year and a game high 33 points against Randolph. Emma finished the season as a member of the 2011 Patriot League All-Star team and the 3 point representative. Megan Andrade climbed into the top 15 all-time scorers and led the team with nearly 200 rebounds. Emily Condry topped off a fine season with a game high 9 points against Randolph and was a close second on the team in rebounding. Juniors Cassie Leech and Jenny Frazier both have reached the 100 point mark and have been an integral part of the starting five. Strong bench support has been offered by Molly Card, Hannah Bialic, and Erica Pupek, as well as upcoming youngsters Danielle Zabala, Kelsey Hardiman, Kristina Spillane, Carly Henderson, and Jackie Burke.

Swimming

The Boys Swim team had a winning season with 9 wins and 2 losses, led by captains Cameron Schofield, Justin Floeck, and Zach Trocki. The Girls season ended with 2 wins, 6 losses, and 1 tie. Their captains were Kendra Perry and Janelle McDonald. Top performances were made at the state meet by Janelle, who placed 4th in the 200 IM, 3rd in the 100 backstroke, and a qualifying time in the 200 medley and 400 free. Kendra also qualified in the 500 free, 200 medley, and 400 free for the girls. Justin qualified for the 50 free, 100 free, 200 free relay, and 400 free relay, while also for the boys team, Cameron qualified for the 100 breaststroke, 200 free relay, and 400 free relay.

Team wins were not to be found for the Sachem Wrestling squad, yet three athletes battled their way to the Division 3 State Tournament. The well-dressed young men of Middleboro took home the Patriot League Team Sportsmanship Award at the end of the grueling 13 week season. Finishing the season with an incredible team record of 0 - 15, the Sachems also participated in 7 invitational tournaments. Led by senior Captain Kyle "Crunch" Carney (160 pounds), Sachems placed in the top 6 at six tournaments, with finalists at four events. When the Sachems hosted the Rod Berry Memorial Tournament on New Year's Day, Middleboro finished in the top six in all weight classes entered. Kyle Ohrenberger (189) earned "Most Improved Athlete" for an incredible sophomore season. Kyle pounded through the season, compiling a record of 26-16. Senior Zack Botelho (285) took home "Rookie of the Year" for his performance at heavyweight. Stepping on the mat for the first time in November and learning to use his head as a wrestler, Zack went on to compete at the state tournament in February. Senior Kyle Carney (160) wrestled to 2nd place in front of the home crowd at the Rod Berry event, with another 2nd place finish at Canton. Junior Alex Schuberth (171 & 160) had a terrific season, posting 2nd, 3rd, 4th, & 5th place finishes. Junior Ethan Norton took home his first tournament championship, along with 2nd and 6th place finishes. Junior James Murphy (285) compiled a 10-6 record with two 4th place finishes prior to sustaining an injury. Sophomore Errol Rea (145) finished the season with a 4th place finish & an astounding 7-26 record. Sophomore Patrick Ford (135) & freshman Chris Wilkerson (130) rounded out the Sachem line-up.

Wrestling

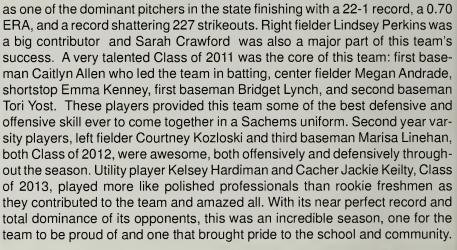

The 2010 season for the Middleboro Sachems Varsity Softball team was the strongest in the team's history. The team captured the League championship for the third straight season with a perfect 20-0 regular season record and won 3 tournament games, going all the way to the State Tournament's South Sectional Final game. The final record for the team's amazing season was 23-1. Amber White established herself

Sports

The Baseball team had a winning season with 11 wins and 9 losses. With this season, the boys made tournament. Despite a well played game, they lost the first game. Senior captains were Andrew Porter, Sean Coyle, and Kevin Hughes. Great underclassman performances were displayed by Zac MaCaulay, Sean Newcomb, Chris Benson, Travis Lesvque, and Brian Wiksten.

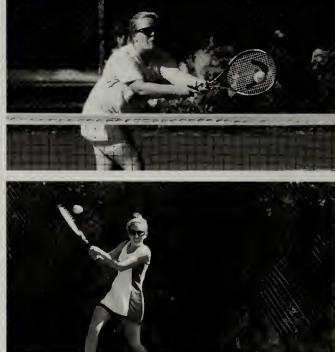

Baseball

Girls Tennis

The 2010 Girls Tennis season was the best in school history. The team, led by senior captains Lauren Endicott and Shannon Lazarovich, finished the regular season with a record-setting 18 wins and only 2 losses. Seniors Kacy Bozoian, McKayla, Craig and Laura McGonigle, alongside underclassmen Lauren Simao and Hannah Bialic, rounded out the seven varsity positions on route to dominating the Fisher Division. The season was highlighted by wins over Duxbury and Silver Lake, the school's first Girls Tennis victory against either opponent. Nearly every team and individual record held at Middleboro High School fell in 2010, thanks to this very talented and hard working group of veteran players. This amazing season will always be commemorated by the Patriot League-Fisher Division Championship banner that now hangs in the gymnasium.

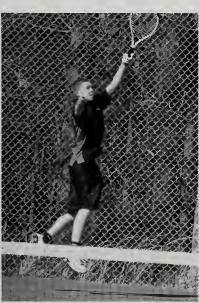

Sports

Bovs Tennis

The 2010 Boys Tennis team had another successful season, qualifying for the state tournament for the second time in the last three years. Over the regular season, the Boys Tennis team had ten wins. Welcome Back Week

MHS kicked its year off with another welcome back week. On the first day of school, students filled out leaves for the "Tree of Hope," following the year's theme of "Never Abandon Hope." Later that week, students were treated with the second annual Welcome Back Barbecue, with donations benefitting the Jimmy Fund. Finally, the week ended with the annual Welcome Back Luau, where everyone danced the night away.

76 Underclass

This year, the sophomore class hosted a car show to raise some funds for the year ahead. Over 20 cars participated to compete for first place at the show, with one taking the first place trophy at the end of the day. Josh Dyer is the day's lucky winner of a \$20 gift card, Dan Juergens is there to show his fellow Sachems support, Molly Kirkland gives out the first prize trophy, and Josh Carnello does a victory dance for the day's success.

Sophomore Class Car Show

Lauren Simao, Hannah Bialic, and Tracey Morrison played an exciting game of catch, TV Pro aficionado Mike Milch prepared for an intense night of filming, and Jon Couto and Luke Szulak showed off their swag while patrolling the halls of MHS.

For the past ten years, the student council has held an annual Lock-In. This year's theme was "Chutes and Leaders," where students participated in board game themed leadership activities. Later on, they enjoyed a pizza party and dance, ending the night with a serene tranquility session where departing senior class members shared their favorite student council memories and advice for the future.

Students played an exciting game of Twister, Chloe Higgenbotham was the life of the party, enjoying her noise maker, Mr. Branagan prepared to inspire the students for the Lock-In, more students enjoyed the sights and sounds at the dance, and Mrs. Myers-Pachla gave an introduction for the night.

Senior Buddy Night

Every year, the senior class held the Freshmen Senior Buddy Night in order to give incoming freshmen a better chance to see MHS and offer seniors an opportunity to share their wisdom in what to expect in the years ahead. Freshmen were given a chance to sign up for many MHS clubs and organizations. At the end of the night, students were treated with a pizza party.

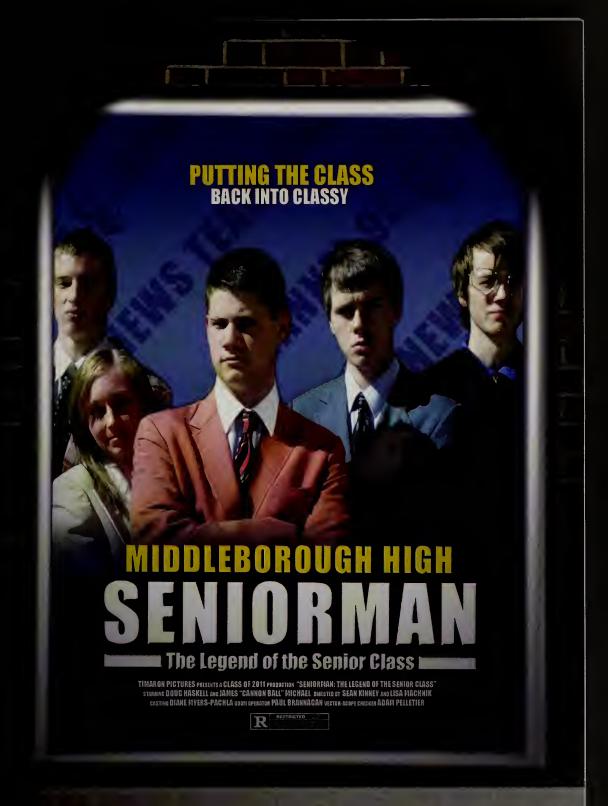

Jordan Layman and Alexa Standish are seen above showing their group a typical classroom in MHS. Jake Crawford, Alexa Martin and Elaine Ezerins try to attract students to the Speech and Theatre Workshop booth, while Mike Black is seen readying to show MHS to freshmen.

Senior Section: Class of 2011

From pep rallies to dances and everything in between, the Class of 2011 has embodied the humor and enthusiasm found in comedy movies. Despite the demands of high school, the seniors always found a way to enjoy their time spent at MHS. As this scene comes to a close, they leave behind their legacy and face the future with a smile.

Comedy Photoshoot

The annual powderpuff game was the kickoff to Spirit Week 2010! The girls of the senior and junior classes faced off in a game of flag football while the boys cheered them on. In honor of Think Pink day, the proceeds went to breast cancer awareness. Students then got comfy cozy on PJ day and dressed up in their Sachem spirit for the pep rally. Performances by the band, concert choir, dance team, cheerleaders, and math team, as well as the appearance of three secret Sachems, got the entire student body excited for Thanksgiving and the upcoming football game. The Sachems defeated Carver, ending their season with a 36-0 win!

2010 Spirit Week

Homecoming

Despite the scare of inclement weather, Homecoming 2010 was a great success! Each class decorated a float for the parade to Battis Field, with the psychedelic senior class coming out on top. Although the game against Scituate was lost, Sachem spirit continued into the night with the annual Homecoming dance. The gym was decorated in honor of the fall sports teams and Sean Newcomb and Maddie Newton were crowned Homecoming King and Queen.

112 Junior Prom

Dear Class of 2011,

am so honored to have been your class advisor for our years. I can still remember when we first met when ou were freshmen. It was obvious you would be fabuous even then. Remember, we did win gym decorating freshman year and that was just a harbinger of things come. Don't forget our win at Homecoming for float ecorating! These are just small examples of how you ome together and show others how you are united but rough the fun times and the serious times you get the bodone and I know that you will continue to do great nings. I am so proud to have been part of your journey it MHS. As my fortune cookie said, "The intention is not a see through people, but rather to see people through."

Best wishes Class of 2011. Peace out!

Mrs. Machnik

It has been one of the great pleasures of my career to be an advisor of your graduating class. From my earliest moments with you, I knew that I was part of something special. In 2007 when we were keeping it fresh during Homecoming weekend (and I learned the Soulja Boy) to preparations for the 2007 Thanksgiving game where we won the gym decorating contest, I knew that you had great talents and great potential. Over the years, I have seen you cultivate that talent in academic, athletic, and extracurricular successes. You have crafted so many amazing experiences for yourselves during your four years at Middleboro High School. I feel honored to have witnessed and even been a part of some of them. I will always remember the summer car washes in the sun (and in the downpouring rain), the August dance rehearsals for our Senior Buddy Night, and the excitement and intensity that you brought to each spirit week, float decorating, fundraiser, and dance. I will look back at these past four years often and remember you all often. I wish you all to know that you are an amazing group of young men and women and I, like many others, foresee continued greatness for you all! Remember Middleboro High School fondly. Take what you have learned and the great memories you have made and march boldly onward into your bright futures!

THINK BROOKFIELD

For over 76 years, Brookfield Engineering has been the world's leading manufacturer of Viscometers/Rheometers, Texture Analyzer and Powder Flow Tester for laboratory and online process control applications.

Did you know that......

Toothpaste can remove onion and garlic smell from your hands.

The ink in most ball point pens will draw a line about 4,000 to 7,500 feet long.

The largest chocolate bar ever manufactured was in Italy in 2000. The bar had a weight of 5,000 lbs.

Asphalt pavement is the most recycled product in America - more than newspapers, aluminum cans or glass.

To help untangle a knot in a necklace, you can sprinkle some baby powder on it and then work it apart.

Several drops of super glue can hold a two ton truck in the air.

Brookfield Viscometers and Rheometers can be used to either measure viscosity, monitor flow behavior or test compression and tension in the production and completion of the products mentioned above.

Walking into the Central Cafc is like taking a step back in time - except that most customers will recognize more than a few familiar faces. The Central is Middleboro's version of the place "where everybody knows your name."

The Central Cafe is the oldest cafe in Middleboro. The first customers to walk through the door did so in 1923. The comfortable booths wear the patina of age. The handsome mahogany bar with chestnut rail was purchased by the former owner Angelo Doscoulias's father in Boston for his son's new Middleboro establishment over 70 years ago.

The exterior of the cafe was remodeled in 1997 to create an Irish pubstyle entrance that hints at the informal atmosphere of a neighborhood bar from another era. Sometimes the prices seem reminiscent of another time as well. The Central's famous cheese pizza - a long time staple of post-event celebrations for local little league team members and spectators alike. The price, just \$2 all day on Monday for eat-in customers. On Tuesday and Wednesday pizza is half price for single and combination toppings.

The Central boasts the best draft beer selection in town for those who don't take the term "pizza and beer" lightly.

Bill Fuller and Mark Hannon proudly welcome you to the Central Cafe. We strive to provide excellent service, top quality food and an enjoyable atmosphere. In keeping with the tradition of our "hometown" cafe.

Thank you for your support. We look forward to seeing you.

THE WORLD AROUND US

IN RECOVERY

As the economy showed signs of recovery from the worst recession most Americans had ever known, President Barack Obama's satisfaction ratings also became more positive.

1 OUT OF 4 TEENS REPORTED BEING BULLIED.

CYBER-BULLYING

Bullying didn't always happen at school or even in person. Some of the most vicious attacks happened over the internet on social networking sites or via instant messages. Many worried that internet bullying was becoming more prominent because of the relative anonymity afforded by phantom

(cłockwise from top let)

NEW HOMEOWNERS REJOICE First-time home buyers received tax credits of up to \$8,000 when Congress passed a bill intended to revitalize a struggling housing market. The early summer deadline was later extended to serve those buyers whose closings were delayed due to the number of loans being processed. WAR IS OVER In late August, President Obama announced that Operation Iraqi Freedom had officially ended. While the last combat brigade had already vacated, some U.S. troops remained in Iraq through year's end to help with training new Iraqi military forces. HEALTH-CARE REFORM The Affordable Care Act was signed into effect in March 2010, with the hope of enhancing accessibility and quality of health care for all Americans. Prospects for a notential repeal continued for months PAYROLL TAX CUT Aimed at stimulating the economy by increasing take-home pay, these cuts aved workers earning \$50,000 an estimated \$1,000 Some opponents worried about the decrease the cuts would cause in Social Security funding.

A REAL ISSUE:

Though bullies had been feared in schools and neighborhoods for centuries, the changing landscape of peer teasing and torture took several visible turns in recent years.

In the past, intimidation and verbal or physical abuse may have been most common forms of bullying. Another form of bullying, social alienation, became more powerful as a result of cyber bullying, where a victim's reputation may have been destroyed via emails, blogs, forum posts or text messages.

After what seemed to be an increase in teen and tween suicides due to bullying, many schools, communities and other organizations moved to provide programs and information for affected students and their parents/teachers

BULLYING

ITGETSBETTER.ORG

This movement, inspiring nearly 10,000 user-created videos and more than 30 million views, was started in 2010 by author Dan Savage. Among the celebrities, politicians and businesses submitting videos were President Obama, Hillary Clinton and employees of both Facebook and Google It was a place where people could share their stories, take the It Gets Better Project pledge and watch videos of love and support.

NATIONAL SUICIDE PREVENTION LIFELINE

By calling 1-800-273-TALK, anyone feeling the extreme effects of bullying could get the support they might need from trained volunteers who were ready to help.

CARTOON NETWORK'S "STOP BULLYING, SPEAK UP" CAMPAIGN

Kid-centric te evision channels such as Cartoon Network stepped up to the plate In the fight against bullying. They launched their own campaign to encourage kids to speak up and to ultimately get their schools involved in anti-bull in an arrans.

THE TREVOR PROJECT AND LIFELINE

The Trevor Project was established to end suicide among young people by providing life-saving and life-affirming resources including a nationwide, 24/7 crisis intervention lifeline (1-866-4-U-TREVOR), digital community and advocacy/educationa programs that created a safe supportive and positive environment for everyone.

BOUND TO HAPPEN

The follow-up report by the National Commission on the BP Deepwater Horizon Oil Spill and Offshore Drilling said 'systemic' problems caused the blowout/oil spill and only 'significant reform' could prevent future spills.

THE STATS

APRIL 20, 2010

BP oil rig Deepwater Horizon exploded in the Gulf of Mexico, killing 11 men and injuring 17 workers. In late April BP estimated the resulting leak at about 5,000 barrels (210,000 gallons) a day

MEW ISTIMULE

In June, the government produced other figures, estimating that 30,000 - 65,000 barrels (as much as 2.7 million gallons) of crude was pumping into the gulf each day

The nation was able to survey the oil escaping from the leak site via BP's live video feed, assuring the public that the leak would be taken care of.

MOMEN WHERE

BP projected that they had already spent \$2 billion on clean-up efforts by June. The budget tallied \$20 billion over three years.

HOW TO PROPERLY WASH OIL-GOVERED BIRDS

Sently flush eyes with warm saline solution. Swab oil from nostrils and bill. Remove any oil from stomach with tube.

STEP 2
Wash oil from body and wings with a dishwashing solution. Make sure to wipe the feathers in the direction they are growing.

STEP 3
Repeat 3-4 times until oil is completely washed away, then gently towel dry bird. Bird will be ready for release in 2-4 days.

DEAD SERIOUS Oil contamination DEAD SERIOUS Oil contamination in often deadly for birds if they are not properly washed and cared for. Oil reverses birds' water resistant feathers, making them uninerable to temperature change Oily feathers also make it impossible for birds to fly and can even drag them underwater to drown. The oil can also cause internal harm when birds try to preen the oil from their feathers, it can cause kidney, liver and reproducting damage among other things CLEANING EFFORTS Scientists and other volunteers worked on all kinds of wildlife affected by the spill. The processes for cleaning worked on all kinds of wildlife affected by the spill. The processes for cleaning birds, turtles and dolphins varied, as did survivors chances for recovery. Thousands of birds and dozens of turtles and dolphins perished. LASTING EFFECTS In addition to the casualties and the damage to wildlife, there are numerous other long-term effects. Human health issues included increased risk of cancer and other ailments, as well as escalated stress. Two of the region's other major industries (tourism and seafood) were shut down immediately and suffered lasting losses. Louisiana traditionally contributed a third of the nation's shrimp, oysters, crab and crawdads and, despite massive marketing campaigns, hotels and resorts on the gulf shore suffered decreased occupancy

MENSORIN

by June, 536,000 barress had been collected from the water's surface and nearly 1,240 miles worth of booms had been set up to prevent oil from reaching the shoreline.

HELPLESS

Mexico, Norway, Canada and the Netherlands all donated equipment (such as the water-skimming system on the right) to aid in the clean-up efforts.
